FINAL STATUS CONFERENCE REPORT

The parties in the above-entitled criminal matter, the United States of America (the "government") and the defendants, hereby submit this Final Status Conference Report, pursuant to Local Rule 116.5(C) (1) - (8).

1. Whether there are outstanding discovery issues not yet presented or resolved by the Court.

No. All Rule 16 and automatic discovery materials have been provided to defendants' counsel or made available for counsels' review to date. There are no outstanding discovery issues that need to be resolved by the Court.

2. Whether a party anticipates providing additional discovery as a result of its future receipt of information, documents, or reports of examinations or tests.

The government anticipates that, unless there is a stipulation regarding the controlled substances involved in this case, it will offer expert testimony regarding the marijuana, as set forth in the indictment, which was seized from defendants Sugar and Stark on October 22, 2003 and then delivered to

defendants Ruiz, Torres and Teague on October 24, 2003. The government will disclose any expert materials no later than 30 days before trial. The defendants will disclose any expert materials no later than 14 days before trial.

3. Whether defendants intends to raise a defense of insanity or public authority.

No.

4. Whether the government has requested notice of alibi by the defendant and, if so, whether the defendant has timely responded.

The government did request notice of alibi but the defendants have yet to respond.

5. Whether the defendants have filed, or intend to file, any motion to sever, dismiss, or suppress, or any other motion requiring a ruling by the District Court before trial.

Yes, defendants Sugar and Stark have filed motions to suppress and the government has filed its opposition. A hearing date has already been set for May 18, 2004.

6. Whether a schedule should be set concerning any matter in the case other than trial.

Currently, only a trial date should be set.

7. Whether the parties have discussed the possibility of an early resolution of the case without a trial and if so, the results of that discussion.

The parties have unsuccessfully discussed the possibility of an early resolution of the case without a trial. Therefore, a trial date should be set.

8. Whether there are periods of excludable delay under the Speedy Trial Act as to which the parties agree, and what they are, and whether there are any disagreements, and what they are, to enable the Magistrate Judge to rule on periods of excludable delay at the Final Status Conference.

5. Speedy Trial Act Calculations

The parties have conferred on the periods excludable from all Speedy Trial Act calculations and jointly submit that the following periods are excludable:

12/12/03-1/19/04 Automatic Discovery period/Interests of Justice.

1/20/04-1/21/04 Two days counted.

1/22/04-4/26/04 Court order/Interests of Justice.
